# CUSTOM FIREPLACE ACCESSORY ORDER FORM

**CUSTOM FIREPLACE ACCESSORY**-This custom-sized Masonry Fireplace Accessory is constructed out of genuine Burntech Fireplace parts and is only to be used as an accessory to a site-built masonry fireplace designed to NFPA 211 Masonry Fireplace standards. Custom-sized Burntech Fireplace Accessories do not have a UL Listing which may be required by your building department. Before placing an order, contact your local building department for applicable federal, state, and local laws and regulations required for installation.

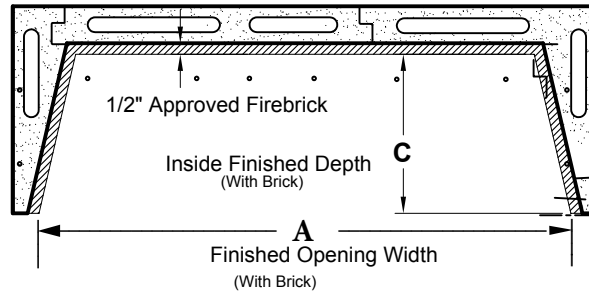

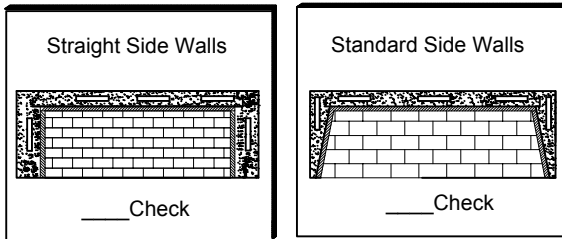

This Fireplace Accessory requires the installation of a CLASS A High-Temperature Chimney Flue (sold separately). Refer to the chimney sizing chart on page 2. For Oversized, See-thru, and Multi-Sided Fireplaces we recommend the installation of an exhaust fan. Firebrick is required and are not included in final pricing.
